

# StayOn\_

A more inclusive, active  
and creative world!

## What is our goal?

StayOn's objective is to create conditions that enable young people to "stay on" rural areas by ensuring access to opportunities, benefits, services, and jobs.

## POLAND

### Podlaskie voivodeship:

the main economic activities include agriculture and forestry, construction and IT.

## Youth Unemployment rates in 2019

- in Poland 6.6%
- in the Podlaskie voivodeship 7.2%

## Driving forces

- Automation • Globalization • Demographic factors
- State of the economy • Skills mismatch • Poor skills
- Type of contracts • Informal work

- Socioeconomic factors
- Type of education

→ **Crucial potentials**

## What we need to do:

- address the needs of apprentices harnessing the power of innovation in agriculture and dairy farms in Poland and engage young adults in community development groups that come together to boost community-led innovations
- undertake a multi-disciplinary long-term approach in collaboration with other stakeholders such as the government, public entities, and local NGOs that consider the benefits of young workers, especially women
