## Scoping Review

### AIM

**Answering the question:**  
“What research evidence exists on evaluations  
of community based interventions?”

### SEARCH STRATEGY

**Conducting a scoping review** by searching  
for key terms in Google Scholar

### SELECTION

**Reviewing and categorizing** the primary  
informations for 19 selected studies

### FINDINGS

**Learning** there is no single method to conduct  
impact assessments

#### Tips for impact management:

- Implementing effective communication among the various stakeholders
- Addressing researchers' and participants' biases
